

Question 1:

Object:

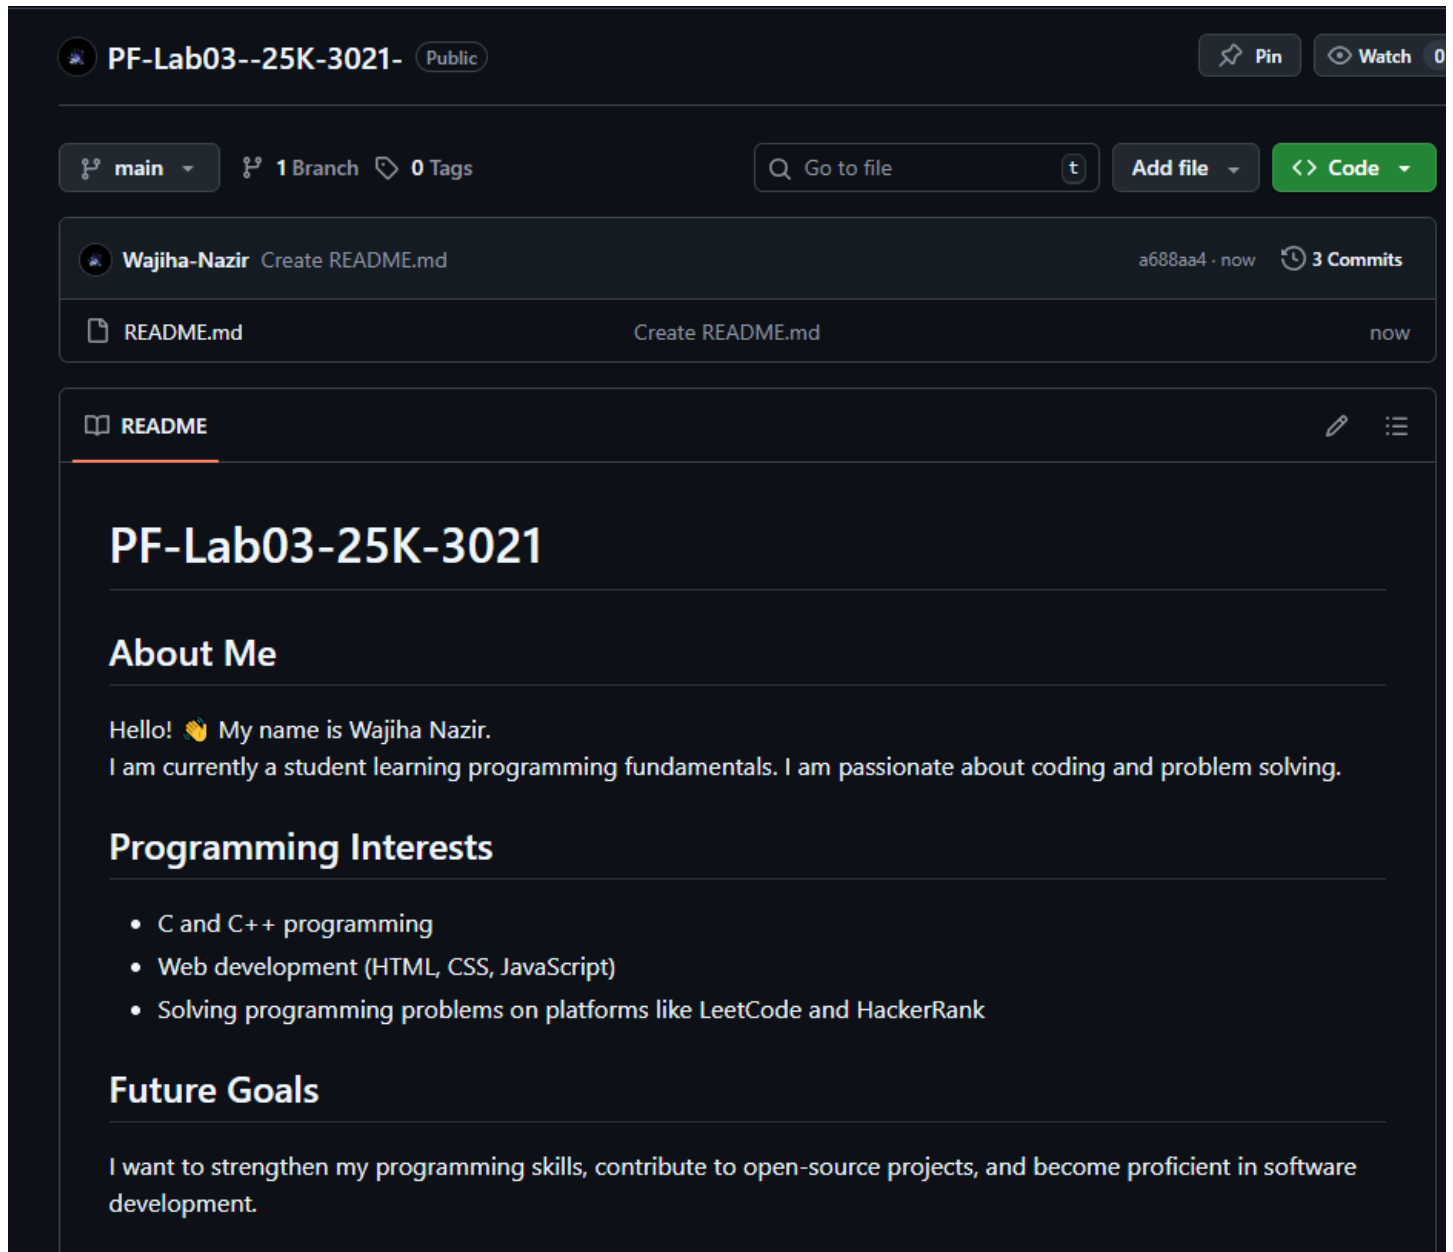

Create a GitHub account (if you don't already have one) and update your profile by adding your full name, a short bio, and a professional profile picture.

Question 2:

Object:

Create a new repository named PF-Lab03-[YourRollNumber]. Add a README.md file describing yourself and your programming interests.

The screenshot shows a GitHub repository interface. At the top, the repository name is 'PF-Lab03--25K-3021' with a 'Public' badge. Below the repository name, there are buttons for 'Pin' and 'Watch'. The main content area shows the 'main' branch with 1 branch and 0 tags. A search bar 'Go to file' is present. Below this, a commit by 'Wajiha-Nazir' is shown with the message 'Create README.md' and a commit hash 'a688aa4'. The file 'README.md' is listed with a 'Create README.md' button. The README content is displayed below, featuring a title 'PF-Lab03-25K-3021', a section 'About Me', a greeting, a paragraph about the user's background, a section 'Programming Interests' with a bulleted list, and a section 'Future Goals' with a paragraph.

PF-Lab03-25K-3021

About Me

Hello! 🙋 My name is Wajiha Nazir.
I am currently a student learning programming fundamentals. I am passionate about coding and problem solving.

Programming Interests

- C and C++ programming
- Web development (HTML, CSS, JavaScript)
- Solving programming problems on platforms like LeetCode and HackerRank

Future Goals

I want to strengthen my programming skills, contribute to open-source projects, and become proficient in software development.

Question 3:

Object:

Create a new branch in your repository named lab03-branch. Inside it, create a file named aboutme.md containing your name, degree program, and one hobby. Commit the file.

The screenshot displays a GitHub repository named "PF-Lab03--25K-3021" with a "Public" status. At the top, there are buttons for "Pin" and "Watch" (0). A notification bar indicates that "aboutme.md" had recent pushes 1 minute ago, with a "Compare & pull request" button. Below this, the repository navigation bar shows "aboutme.md" as the selected file, "2 Branches", and "0 Tags". There is a search bar "Go to file" and buttons for "Add file" and "Code". A status bar indicates "This branch is 1 commit ahead of main" with a "Contribute" button. The commit history shows a commit by "Wajiha-Nazir" titled "Update README.md" with hash "8b6afb2" from 1 minute ago, having 4 commits. Below the commit list, the "README" file is shown, containing the following content:

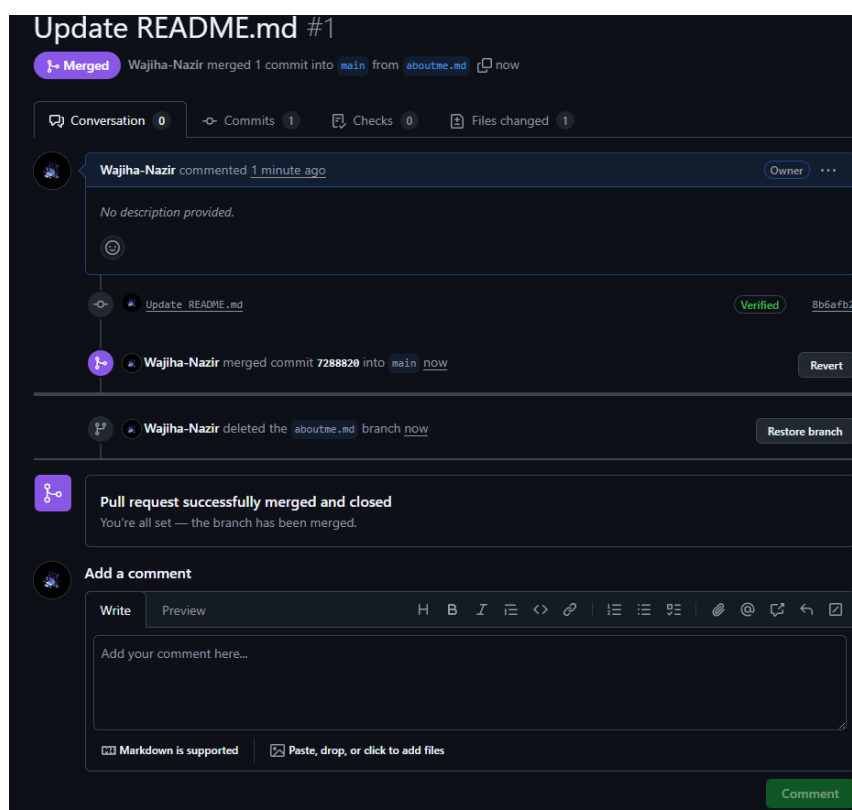

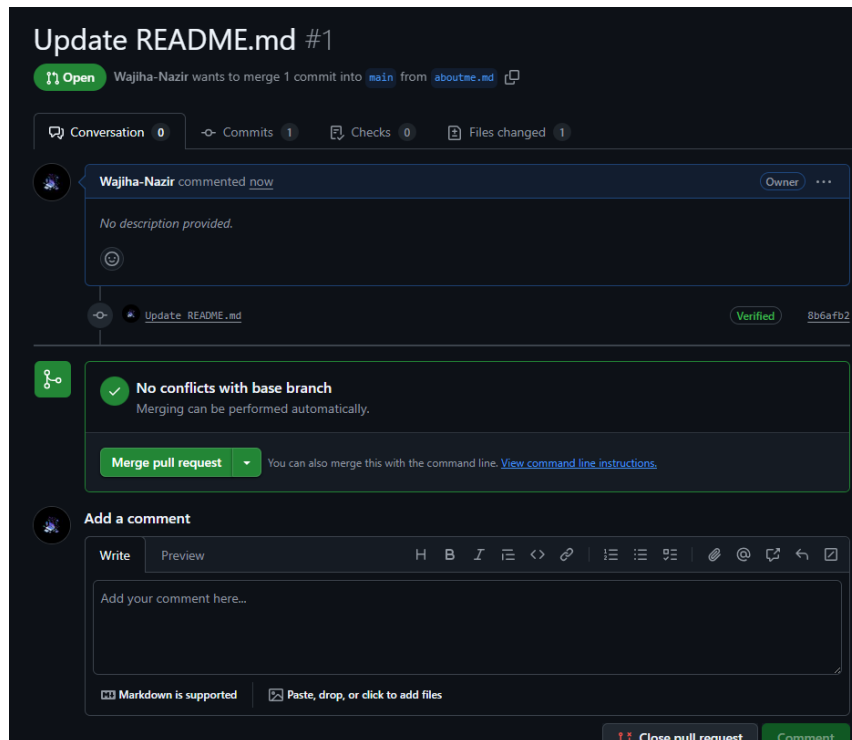

```
#About me
```

- Name: Wajiha Nazir
- Degree Program: BS Software Engineering
- Hobby: Playing Badminton

Question 4:

Object:

Raise a pull request to merge your lab03-branch into the main branch. Successfully merge and delete the branch after merging.

Question 5:

Object:

Edit your README.md to include at least:

- One heading
- One ordered list
- One unordered list
- One bold + italic statement

Commit the changes.

```
